

Ref.2645 **ARMOUR PRO VISOR**

Protective visor made of 2 mm thermoformed polycarbonate.
Compatible with the Armour Pro helmet.

Can be easily installed and removed without the use of any tools.

The curvature is designed to follow the contours of the nose and cheekbones while still guaranteeing optimal visibility.

Anti-fog and scratch resistant treatment.

Standards:

- EN 166: mechanical protection against high velocity particle projections.
- EN 170: protection against ultraviolet rays.
