

0209 SKYLOR PLUS

The most robust helmet in our range. The entire shell is manufactured from high-thickness ABS.

Special slots allow for the seamless integration of ear protection and face visor.

Equipped with four clips for attaching a headlamp.

The padding is detachable so it can be washed or replaced.

Turn dial adjustment provides a secure and precise fit in seconds.

The chin strap can be easily removed when using the helmet for ground operations and the buckle is designed with a safety release to break away between 15 and 25 kg.

Available in 5 colors.

One size fits all.
